

UtahFutures Quick Start Guide

UtahFutures.org

How to Access LearningExpress Library

LearningExpress Library offers an extensive and continuously updated library of practice tests and tutorials to help you excel in school and the workforce. Plus, it's FREE!

- Prep for AP, ACT/SAT, and GED tests.
- Sharpen your skills for industry exams
- Improve basic core skills in reading, writing, and math
- Build computer and internet skills
- Gain proficiency in popular software programs

NOTE: LearningExpress Library cannot be accessed directly. You must go through UtahFutures for access to your account.

Get Started:

There are many places to find the LearningExpress Library from the main navigation menu. All links labeled "LearningExpress Library" will lead to the same location. Below is one way to access the Library.

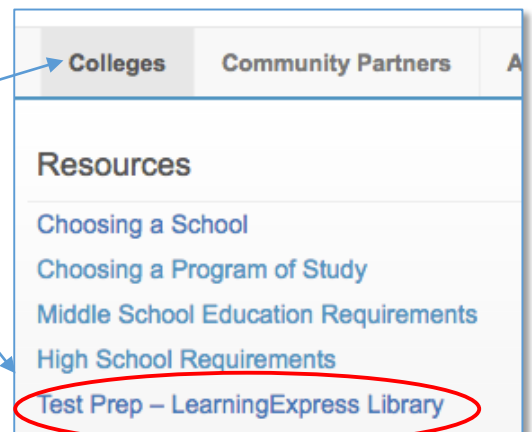

1. From the main navigation menu, click **Colleges > Test Prep – LearningExpress Library**

If you are logged in to UF, skip to step 3.

2. Sign in to your UtahFutures account.

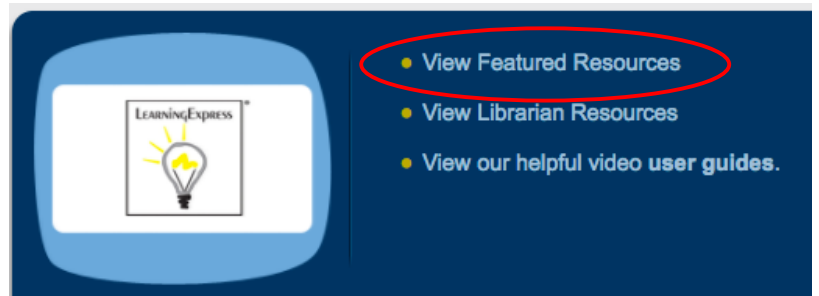

Sign in to UtahFutures by completing the form below:
