

## MAY NEWS

### **UTAHFUTURES/AMERICAN GRADUATE PARTNERSHIP**

UtahFutures is partnering with American Graduate ([americangraduate.org](http://americangraduate.org)) to spread the word about opportunities found in technical education! More information to come!

### **YEAR OF TECHNICAL EDUCATION**

2018 is the Year of Technical Education! UtahFutures continues to support this endeavor by strengthening its partnerships with technical colleges. Information about Utah's technical schools can be found at [go.uen.org/bbn](http://go.uen.org/bbn).

### **TOOL OF THE MONTH**

Summer break is almost here and is the perfect time for students to research potential careers. Visit "Explore Careers" on UtahFutures for state-of-the-art assessments that can help.

### **PARTNER NEWS**

The Utah System of Technical college continuously offers career events and opportunities. Visit [utech.edu](http://utech.edu) to find a school near your and see what events they have to offer.
