► **STACKABLE CREDENTIALS:** Utah's construction industry will need about 95,000 new employees from 2016–2019. Current worker shortages are being reported in nearly all trades. Construction workers can “earn while they learn” through apprenticeship programs or on-the-job training. Certified or credentialed journeyman status can be achieved in one year for some trades and up to six years for others with little or no debt. Construction wages range from \$45,000–\$85,000 per year. Benefits include health insurance, retirement programs, and additional training. Construction workers can begin at an entry-level position and climb the corporate ladder.
